What We Learned Today

Today we learned that there are different ways to pay for things and depending on what you pay for, there might be a better way to pay for it. We learned that money is anything that we can use to pay for things and we learned the steps for writing a check.

Remember

🔲 Bank

There are many ways to pay for things. When it is time to buy or pay for something, think about which way will be easy for you AND keep your money safe.

Practice At Home

Take what you have learned today and practice at home with a friend or caregiver. Think about the next thing that you need to pay for like a bill, food or a present for a friend. Discuss the different ways that you can pay for it and decide which way is best for you.

Words To Know		
Cash	A place you where you can save money for things in the future like school, a vacation or something for your home.	
Check	Short for "Automated Teller Machine." A machine that provides cash from your own bank account and banking services using a plastic card and a PIN (personal identification number).	and a second sec
